“Angels can fly because they take themselves lightly.”

~Chesterton

A dramatic, black and white landscape with a cloudy sky and a desert floor. The sky is filled with heavy, dark clouds, with a bright light source breaking through near the top right. The ground is a flat, arid desert with sparse, low-lying vegetation. The overall mood is somber and contemplative.

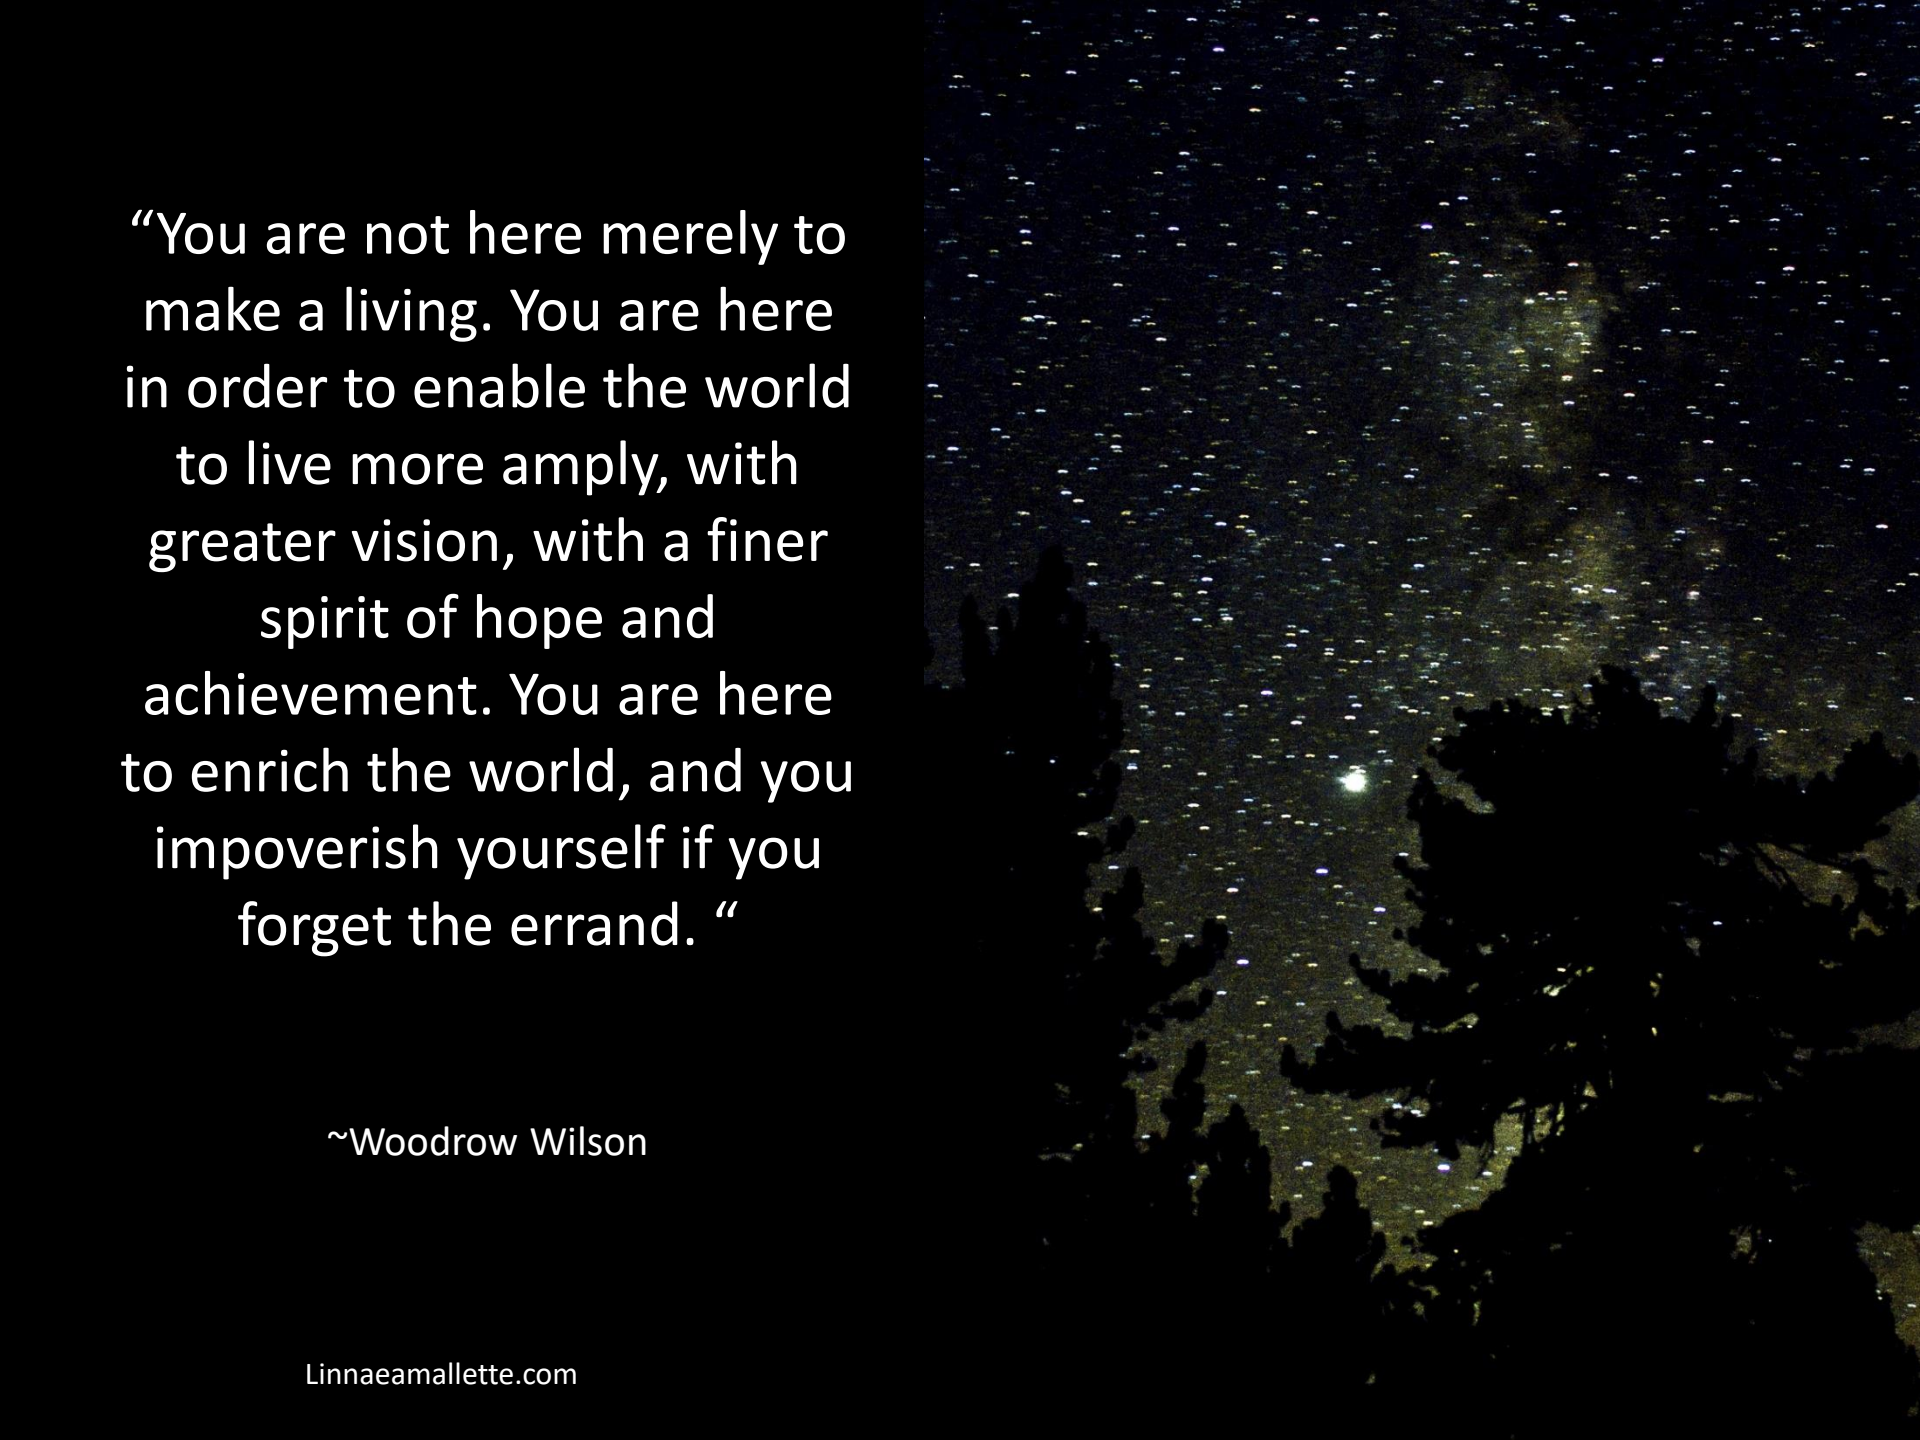

“If I want conflict, I’ll concern myself with getting or evaluating why I’m not getting.

If I want peace, I’ll concern myself with giving, or finding ways to give.”

-Course in Miracles

**Wherever
You Are...
Be Useful!**

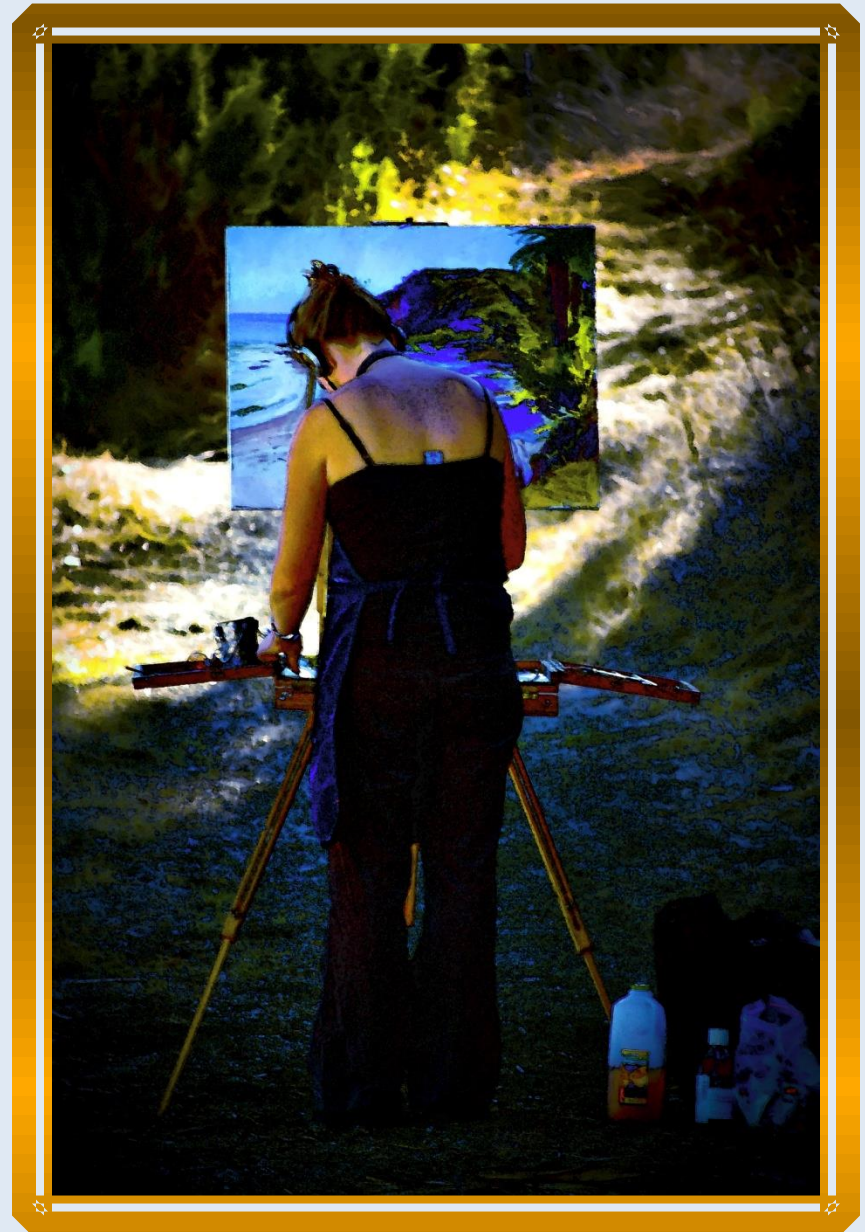

“You are not here merely to
make a living. You are here
in order to enable the world
to live more amply, with
greater vision, with a finer
spirit of hope and
achievement. You are here
to enrich the world, and you
impoverish yourself if you
forget the errand. “

~Woodrow Wilson

“We make a
living by
what we get,
but we make
a life by what
we give.”

~Winston Churchill

A scenic view of a coastline with turquoise water, rocky shorelines, and mountains in the background. The water is a vibrant turquoise color, and the rocks are dark and jagged. The mountains in the background are covered in green vegetation and are partially shrouded in mist. The sky is a clear, deep blue.

Work Together, expect a
Masterpiece.”*

-John Ruskin

*“If you count
all your assets,
you’ll always
show a profit.”*

-Robert Quillen

“The Secret of Getting Ahead is Getting Started!”

-Anonymous

“In creating, the only hard thing’s to begin; a grass-blade’s no easier to make than an oak.”

~James Russell Lowell

A dramatic landscape of rolling hills and mountains under a cloudy sky with sunlight breaking through. The scene is captured in a wide-angle shot, showing the vastness of the terrain. The lighting is moody, with deep shadows and bright highlights from the sun filtering through the clouds.

“Those at the top of the
mountain did not fall there.”

-unknown

“Yard by yard
life is hard.
But inch by
inch, life’s a
cinch.”

-Rev. Robert Schuller

"Action is the antidote to despair."

-Joan Baez

“To move the world, we must
first move ourselves”

~Socrates

*Arriving at
one point is
the starting
point to
another.*

-John Dewey

“Wherever you go, go
with all your heart.”

~Confucius

“Everyone has a hero’s heart.
Everyone wants to contribute.
Everyone wants to make a difference.
Everyone wants to be acknowledged.
Everyone wants to be appreciated.”

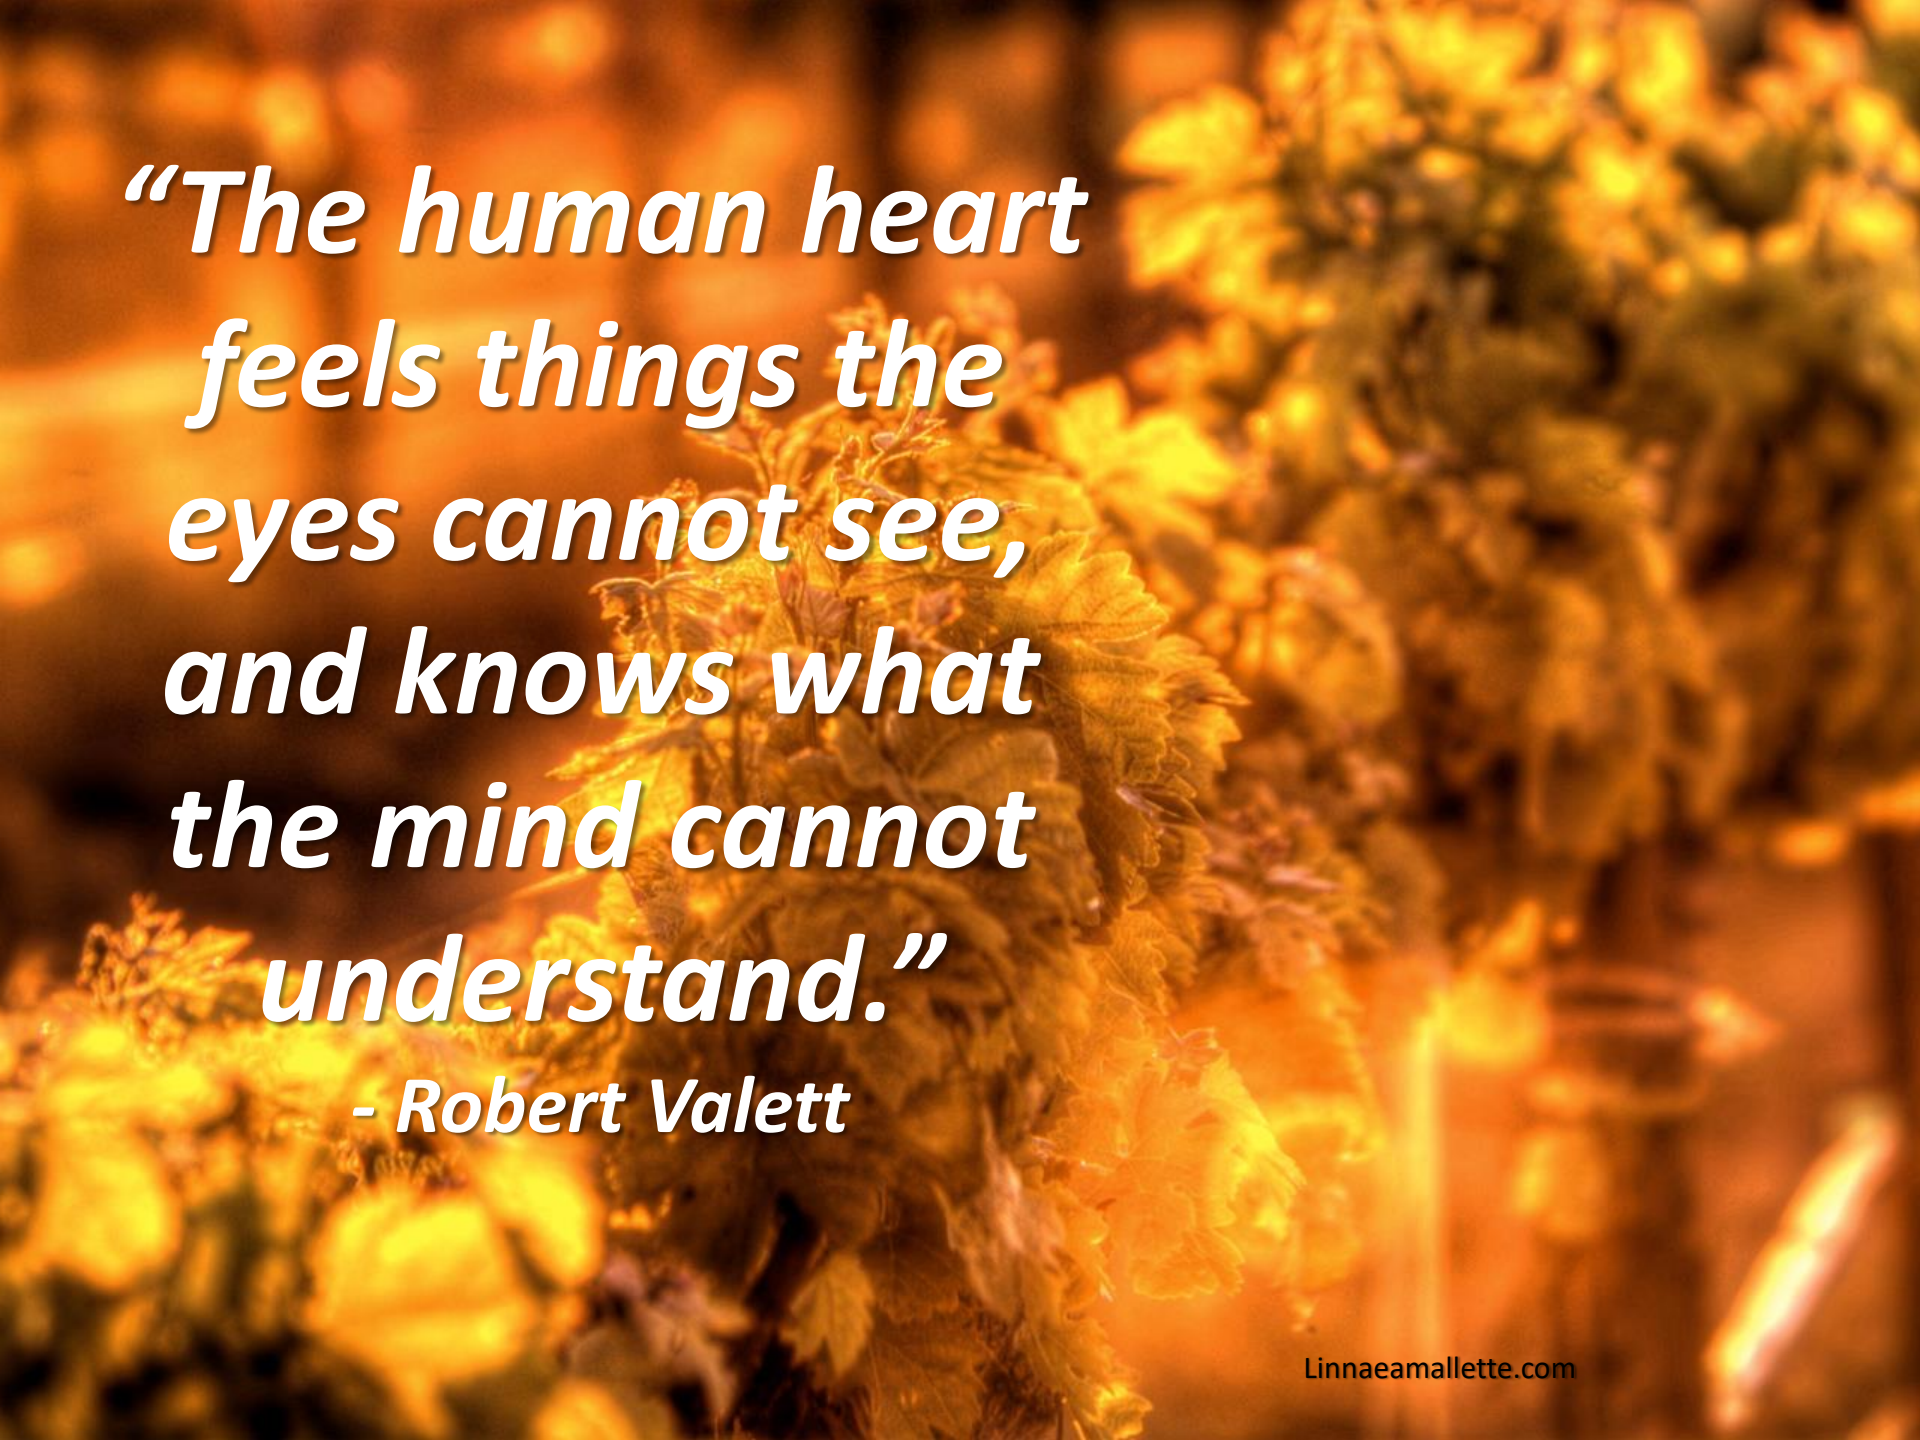

-Linnaea Mallette

*"I've learned that
whenever I decide
something with an
open heart,
I usually make the
right decision."*

-Maya Angelou

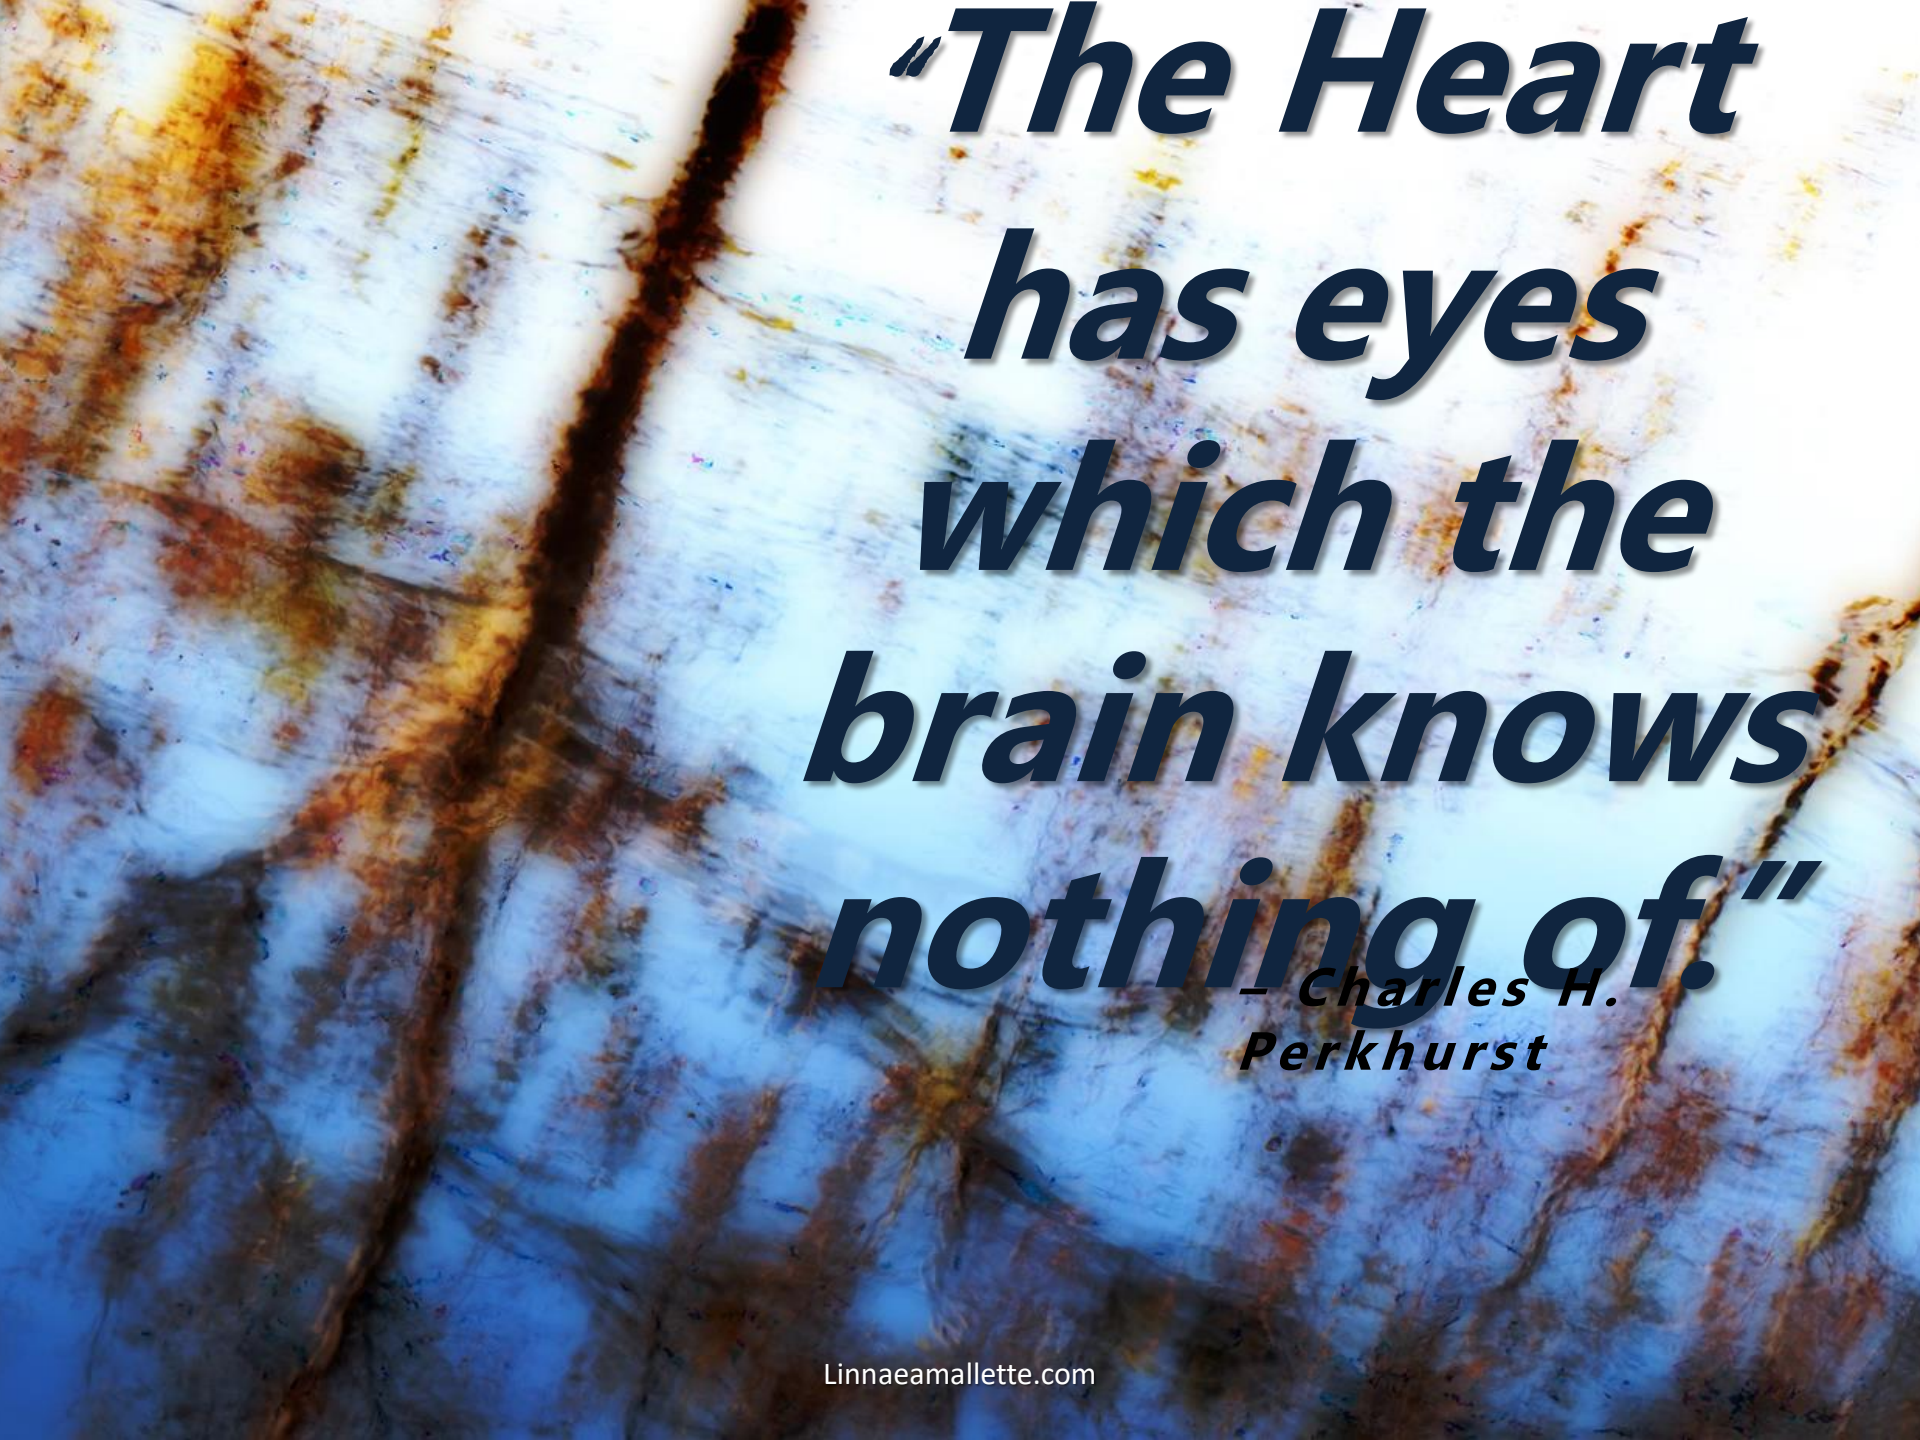

***“The human heart
feels things the
eyes cannot see,
and knows what
the mind cannot
understand.”***

- Robert Valett

**“I shut my
eyes in
order to
see.”**

has eyes
which the
brain knows
nothing of.”***

“The best and most beautiful things in the world cannot be seen or even touched. They must be felt with the heart.”

-Helen Keller

Do what you say you will do.

Perception
doesn't reveal
what's there.
Instead, it
creates it.

“Nothing has meaning except what I give it.”

-Course in Miracles

“Tomorrow is Now.”

-Eleanor Roosevelt

“Bloom Where You Are Planted!”

***“Yesterday is
history.
Tomorrow is a
mystery.
And today?
Today is a gift.
That's why we
call it the
present.”***

JUST FOR TODAY

*I will try to live through this day only
and not tackle my whole life problem at once.
I can do something for twelve hours that would
appall me
if I felt that I had to keep it up for a lifetime.*

JUST FOR TODAY

I will be happy.

*This assumes to be true what Abraham Lincoln said,
that, most folks are as happy as
they make up their minds to be.*

JUST FOR TODAY

*I will adjust myself to what is,
and not try to adjust everything to my own desires.
I will take my luck as it comes and fit myself to it.*

JUST FOR TODAY

*I will try to strengthen my mind.
I will study. I will not be a mental loafer.
I will read something that requires
mental effort and concentration.*

JUST FOR TODAY

*I will exercise my soul in three ways.
I will do somebody a good turn and not get found
out.*

If anybody knows of it, it will not count.

I will do at least two things

I do not want to do - just for exercise.

*I will not show anyone that my feelings are hurt;
they may be hurt, but today I will not show it.*

JUST FOR TODAY

*I will be agreeable,
will look as well as I can,
dress becomingly, talk low,
act courteously, criticize not one bit,
not find fault with anything
and not try to improve or regulate
anybody except myself.*

JUST FOR TODAY

*I will have a program -
I may not be able to follow it exactly,
but I will have it.*

*I will save myself from two pests:
hurry and indecision.*

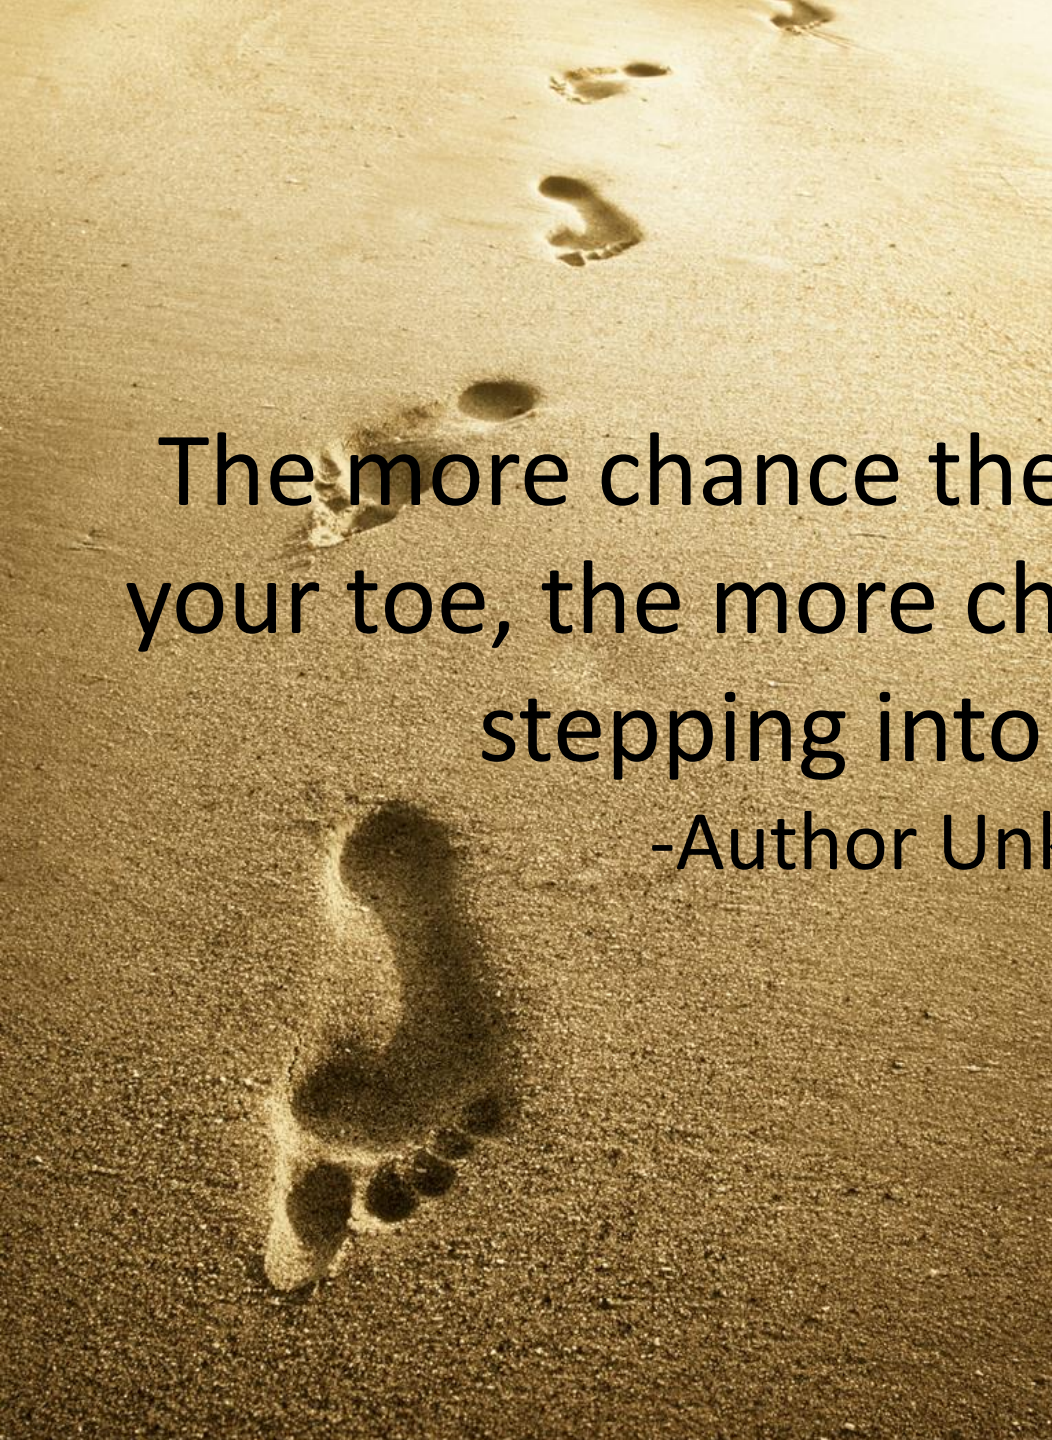

JUST FOR TODAY

*I will have a quiet half hour
all to myself and relax.
During this half hour, sometime,
I will try to get a better perspective of my life.*

JUST FOR TODAY

*I will be unafraid,
especially I will not be afraid
to enjoy what is beautiful,
and to believe that as I give to the world,
so the world gives to me.*

The Artist

Richard's parents gave him a Kodak Brownie camera at age 6 – a camera which he still has... and still works – and Richard was hooked on photography. "I was born to the business. My father was a commercial photographer and I was helping in the dark room from the time I was six." Richard's parents gave him his first SLR when he entered high school in order for him to produce images for the school newspaper and the yearbook.

Richard attended Western Illinois University, as well as Northeastern Illinois University, where he graduated with a degree in Business Administration. Even though Richard was pursuing a degree in business - accounting, economics, and marketing, to be exact – his love for photography continued to grow.

In 1982, Richard opened Precious Moments Studio in Round Lake, Illinois. During the years Richard owned Precious Moments Photography, he met thousands of great people from all walks of life. Richard states, "... I photographed more than 700 weddings, as well as pre-schools, a National Beauty Contest, and Seniors – I loved every minute of it because of the people I met and was able to do business with." In 1986, Richard transplanted studio and himself to Southern California; eventually settling in Oxnard, California where he continued to take on wedding and portrait work until 1991.

In 2007, Richard started his second photography business - SunRidge Photo. A connection developed through Richard's involvement in Toastmasters International, resulted in being commissioned to provide the photographic imagery for several books

Whether coaching, teaching, or capturing the moment with his camera, Richard enjoys helping others find their value and live their dreams. His purpose for living... YOUR SUCCESS!

Richard presently resides in Apache Junction, Arizona
