Words of Wisdom

2020

Featuring photographic art  
by Linnaea Mallette

Thank you for reading my Words of Wisdom (WOWs) for 2020

I believe, through personal experience, that one of the secrets to accelerating your personal success is by reprogramming your subconscious mind. The awe of beautiful images opens your mind and lowers the resistance. The words of wisdom are then able to sink in much quicker and deeper. That is the beauty and power of these free WOW picture e-books.

A walk is  
a blessing

**BROKEN CRAYONS STILL  
COLOR**

*If you carry  
joy in your  
heart,  
you can heal  
any moment.*

*Beautiful as a dandelion-blossom  
golden in the green grass, this life  
can be.*

NO  
RAIN  
NO  
FLOWERS

WHEN YOU FOCUS ON WHAT  
**YOU WANT,**  
EVERYTHING ELSE JUST  
**FALLS AWAY.**

*Autumn carries  
more gold in its  
pocket than all  
the other seasons.*

CHOOSE  
PEOPLE WHO  
CHOOSE  
YOU

A close-up photograph of a heart shape drawn in the sand on a beach. The heart is formed by a dark, slightly raised line of sand, with some sand piled up along its edges. The background is a textured, greyish-brown sand surface. The heart is positioned in the upper half of the frame, with its top pointing towards the right.

**Keep a cool  
head and a  
warm heart.**

**AUTUMN REMINDS US HOW BEAUTIFUL IT IS TO  
LET THINGS GO.**

*The beauty of the natural world  
lies in the details.*

Natalie Angier

Nothing on earth can  
overcome an absolutely  
non-resistant person.

Florence Scovel Shinn

People who deliberate  
fully before they  
take a step will  
spend their lives  
on one leg.

# SALT WATER HEALS EVERYTHING

A photograph of a pond with a single duck swimming in the middle-left area. The water is dark and reflects the surrounding environment, creating a series of concentric ripples that spread outwards from the duck. The background is dark and indistinct, focusing attention on the duck and the ripples.

**It takes but one  
person, one  
conviction, one  
moment, to start  
a ripple of  
change.**

**Donna Brazile**

The image features a background of ocean waves with white foam, captured in a vertical orientation. A semi-transparent dark vertical band runs down the center of the image, serving as a backdrop for the text. The text is written in a white, serif font and is centered within this band. The overall composition is minimalist and contemplative.

You cannot  
stop the  
waves, but  
you can  
learn to  
surf.

Jon Kabat-Zinn

*Spring is nature's way of saying,*
